The scale of establishment sanctioned in Government Order of February 1904 was for the Trust Board and out of that establishment a Mastri on Rs.20/- and two sweepers on Rs.6/- continue to be paid out of the Board's Funds after 6 and of June 1911. The pipe line establishment said to have been transferred to the Municipality from the 1st July 1909 seems therefore to be a different one and the cost incurred by the Municipality on this account has been placed under objection by this office for want of sanction of Government.

Letter No.820 dated the 15th February 1912 from the Chairman, City Improvement Trust Board, Mysore, to the President, City Municipal Council, Mysore.

Sir,

In continuation of this office No.606 dated the 10th May last, I have the honour to inform that the Establishment transferred to the Municipality in March 1909, was not the one sanctioned in --- Government Order No.3024-27/L.F.98-03 dated the 17th February 1904 as erroneously mentioned therein, but it was the one that had been maintained by the Trust Board on the pipe lines and the cost of which was being charged to "Works". The above Establishment was the remnant of what had been entertained in 1906 by the then Chairman and subsequently supplemented by the Executive Engineer of the Trust Board, -- according to the exigency of work till the charge of these pipe lines was taken over by the Municipality.

2. As regards the Conservancy Establishment sanctioned in --- Government Order No.3024-27/L.F.98-03 dated the 17th February 1904 cited above, the services of the Conservancy Maistry and a sweeper were utilized for office work in the Chairman's Office in the years 1909-10 and 1910-11, owing to the paucity of hands consequent on the reduction of the Chairman's Office Establishment in January 1908, 2 out of the remaining 5 sweepers being employed on conserving the latrines constructed by the Trust Board, and only one in the year 1910-11. From July 1911, however, all the 6 sweepers were dispensed with, provision being made for the retention of only the Maistry on Rs 20/- to do Munshi's work in the Chairman's Office, as reported to Government in this office letter No.101 dated the 18th May 1911.
